## AFFORDABLE HOUSING LOTTERY

**Development Name: Turtle Pine Village**

**Location: Kingston, MA**

### INTRODUCTION

A private developer, Champion Builders, Inc. and officials of the Town of Kingston have collaborated to provide this affordable housing opportunity in Kingston, MA. The development is in accordance with the Department of Housing and Community Developments' Local Initiative Program – Local Action Units (“LIP-LAU”). This development consists of 36 (thirty-six) townhouse condominiums. There are 5 (five) homes designated as affordable and sold to buyers whose incomes are at or below 80% of the area median income.

Turtle Pine Village is located at 138 Elm Street in Kingston close to Route 3, Kingston Commuter Rail and the Indian Pond Golf Course. It takes less than 10 minutes to drive to the elementary, middle and high school. The homes will be situated on 25.2 acres of land. The placement of the homes in a friendly village setting will create a neighborhood setting onto itself. The site is approximately 36 miles from downtown Boston, MA

This **AFFORDABLE RESALE UNIT** will be sold at the resale price of **\$260,500**. This home is designated as affordable and must be sold to first time homebuyers whose incomes are at or below 80% of the area median income.

The townhouse has 2 bedrooms and 1½ baths. They also have town water, natural gas and a wastewater treatment system.

It is estimated that the total **monthly cost** of your mortgage payment including Principal, Interest, Real Estate Taxes, Private Mortgage Insurance (PMI), Hazard Insurance and Condo fees of \$90 or \$95 will be approximate **\$1,757**. This estimate is determined using a 4.50% interest rate. It is more likely that your bank interest rate would be closer to 6.50% which would increase your payment amount.

All affordable homes will have a “Deed Restriction” that will be recorded with the mortgage at the time of purchase. This deed restriction in part, limits the amount the home can be resold for or refinanced for and requires that it be resold to another affordable buyer.

**FREQUENTLY ASKED QUESTION FOR HOUSING LOTTERIES**

**Q: Who is eligible to apply for Affordable Homes?**

A: **Applicants must be first-time homebuyers.** A person is a “first-time home buyer” if no person in his or her household has, within the preceding three years, owned a home, including in trust or owned an interest in a home with one or more people, such as through joint ownership with the **exception of:**

- Displaced homemakers where the displaced homemaker (an adult who has not worked full-time, full-year in the labor force for a number of years but has, during such years worked primarily without remuneration to care for the home and family), while a homemaker, owned a home with his or her partner or resided in a home owned by the partner
- Single parents where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent is unmarried or legally separated from a spouse and either has 1 or more children of whom the individual has custody or joint custody, or is pregnant
- Elderly households (where at least one household member is 55 or over);
- Households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; and
- Households that owned a property that was not in compliance with State, local or model building codes and that cannot be brought into compliance for less than the cost of constructing a permanent structure.

**Individuals who have a financial interest in the development and their families shall not be eligible.**

**Q. If I presently own a home, could I qualify to purchase an affordable home?**

A. Yes, but only if you meet at least one of the exceptions to the First Time Homebuyer rule as listed above. You will not be able to purchase an affordable home until your current home is under agreement. The equity in the home must be determined which is to be included in the determination of assets.

**Q. If I am currently in the process of a separation and plan on being legally divorce, can I still apply?**

A: Your divorce does not need to be finalized when you apply for the lottery; however, it must be finalized before you purchase the home. You will not be allowed to purchase and affordable home until the terms regarding the allocation of assets and custody of children must be finalized, so you’re your income and assets eligibility can be accurately be determined. If you have only filed for separation and your divorce is not finalized, you will not be allowed to purchase one of the affordable homes.

**MAXIMUM INCOME - 2024**

**Q: What is the maximum family income and asset eligibility requirement?**

A: To be eligible to purchase an affordable home, annual income and assets of all **household members** must be below the maximum level as adjusted for family size as shown below.

Maximum allowable household, total income cannot exceed:

<b>Household Size</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>
<b>Maximum Income</b>	91,200	104,200	117,250	130,250

Generally, on an annualized basis the US Department of Housing and Urban Development (HUD) publishes income guidelines. The applicant will be subject to the published guidelines in effect at the time of their application. Incomes as stated above represent 80% of AMI as defined by HUD.

### **MAXIMUM ASSETS**

Household assets shall not exceed \$75,000

### **DEFINITION OF ASSETS**

The value of necessary items of personal property, such as furniture or automobiles shall be excluded. Determination of assets shall be based upon a full and fair present cash value of the asset at the time of application to the program. If a potential purchaser divests himself or herself of an asset for less than full and fair present cash value of the asset within one year prior to application, the full and fair cash value of the asset at the time of its disposition must be declared and shall be included for purposes of calculating eligibility.

#### **Household Assets include the following:**

1. Cash held in savings and checking accounts, safe deposit boxes, homes, etc: For savings accounts, use the current balance. For checking accounts, use the average balance for the last six months. Assets held in foreign countries are considered assets.

2. Revocable trusts: The cash value of any revocable trust available to the applicant.

3. Equity in rental property or other capital investments: The current fair market value less (a) any unpaid balance on any loans secured by the property and (b) reasonable costs that would be incurred in selling the asset (e.g., penalties, broker fees, etc.).

4. Stocks, bonds, Treasury bills, certificates of deposit, mutual funds, and money market accounts: The value of stocks and other assets vary from one day to another and should be determined within a reasonable time in advance of the applicant's submission of an application to participate in the subject housing program.

5. Individual retirement, 401K, and Keogh accounts: When the holder has access to the funds, even though a penalty may be assessed. If the applicant is making occasional withdrawals from the account, determine the amount of the asset by using the average balance for the previous six months. (Do not count withdrawals as income.)

#### 6. Retirement and pension funds.

a) While the person is employed: Amounts the applicant can withdraw without retiring or terminating employment. Count the whole amount less any penalties or transaction costs.

b) At retirement, termination of employment, or withdrawal: Periodic receipts from pension and retirement funds are counted as income. Lump-sum receipts from pension and retirement funds are counted as assets. Count the amount as an asset or as income, as provided below. If benefits will be received in a lump sum, include the lump-sum receipt in net household assets. If benefits will be received through periodic payments, include the benefits in annual income. Do not count any remaining amounts in the account as an asset.

If the applicant initially receives a lump-sum benefit followed by periodic payments, count the lump-sum benefit as an asset as provided in the example below and treat the periodic payment as income. In subsequent years, count only the periodic payment as income. Do not count the remaining amount as an asset.

*NOTE: This paragraph assumes that the lump-sum receipt is a one-time receipt and that it does not represent delayed periodic payments. However, in situations in which a lump-sum payment does represent delayed periodic payments, then the amount would be considered as income and not an asset.*

7. Cash value of life insurance policies available to the applicant before death (e.g., the surrender value of a whole life policy or a universal life policy): It would not include a value for term insurance, which has no cash value to the applicant before death.

8. Personal property held as an investment: Gems, jewelry, coin collections, or antique cars held as an investment. Personal jewelry is NOT considered an asset.

9. Lump-sum receipts or one-time receipts: Inheritances, capital gains, one-time lottery winnings, victim's restitution, settlements on insurance claims (including health and accident insurance, worker's compensation, and personal or property losses), and any other amounts that are not intended as periodic payments.

10. A mortgage or deed of trust held by an applicant: Payments on this type of asset are often received as one combined payment of principal and interest with the interest portion counted as income from the asset. This combined figure needs to be separated into the principal and interest portions of the payment. (This can be done by referring to an amortization schedule that relates to the specific term and interest rate of the mortgage.)

To count the actual income for this asset, use the interest portion due, based on the amortization schedule, for the 12-month period following the certification. To count the imputed income for this asset, determine the asset value at the end of the 12-month period following the certification.

**Household Assets DO NOT include the following:**

- Personal property (clothing, furniture, cars, wedding ring, other jewelry that is not held as an investment, vehicles specially equipped for persons with disabilities).
- Interests in Indian trust land.
- Term life insurance policies (i.e., where there is no cash value).
- Equity in the cooperative home in which the applicant lives.
- Assets that are part of an active business: "Business" does NOT include rental of properties that are held as investments unless such properties are the applicant's main occupation.
- Assets that are NOT effectively owned by the applicant: Assets are not effectively owned when they are held in an individual's name, but (a) the assets and any income they earn accrue to the benefit of someone else who is not the applicant, and (b) that other person is responsible for income taxes incurred on income generated by the assets.

**Q: How do you determine household income?**

**A:** The Lottery Agent will determine a household's income based on all sources of income for all household members ages 18 or older with the exception of full time students.

This includes, but is not limited to, Social Security, alimony, child support, overtime pay, bonuses, unemployment, severance pay, part-time employment, matured bonds, monies to be received in court settlements and imputed interest and dividends on bank accounts and other assets.

**Q: What constitutes a household?**

**A:** A household constitutes the number of persons who plan to reside the home regardless of marital status. Gross income from all household members over the age of 18 (except for full time students) shall be considered in determining compliance with income eligibility requirements.

**Q: I am expecting a child do I add the child to our household size?**

**A:** You must submit documentation from your Obstetrician/Gynecologist or adoption agency stating you are expecting a child. This will determine if the child can be included in the household.

**Q: How will applicants for the affordable homes be selected?**

**A:** Only complete applications will be considered on a FCFS basis.

**Q: What documents do I need to submit to determine eligibility?**

**A:**

- Completed and signed application
- Last five pay stubs (*regardless of weekly or bi-weekly pay periods*)
- Last three years Federal tax returns including w-2's, 1099's, etc.
- Pre-Approval letter from a bank stating your household qualifies for a mortgage to purchase an affordable home.
- Any additional income documentation such as but not limited to social security, pension, and alimony.
- Last three months checking and savings account bank statements from each bank that you hold accounts in. (*All financial documents must show the account holders name, address and account number. **All pages** of banking statements must be submitted even if blank.*)
- All asset information including evidence of the value of CDs, brokerage statements, etc.
- Signed Homebuyer Disclosure Statement
- Narrative stating applicant's history for last 2 years including work, and information such as marriage, divorce and personal information you may want us to know. (attach to application)
- Child support documentation

**Q: When will the affordable home be available for occupancy?**

**A:** Immediately

**Q: Is there a priority or preference for larger households?**

A. Preference shall be given to larger households, (within both the Local and At-Large categories, if applicable) requiring the total number of bedrooms in the home based on the following criteria:

- a. There is at least one occupant and no more than two occupants per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in the first sentence of (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.

***Example:** A larger household preference is based on the "need for the number of bedrooms", not the size of the household. For example, a single parent with one child would "need" two bedrooms, whereas a couple with no children would only "need" 1 bedroom. The single parent would have preference over the couple.*

**Q: Do I have to be a resident of the Town to apply?**

**A:** No. All households that meet the income guidelines specified above may apply for an affordable home.

### **FINANCING:**

**Q: Do I need to attend homebuyer education classes?**

**A:** All financing programs offered by "MassHousing" [www.MassHousing.com](http://www.MassHousing.com) and "MassHousing Partnership" [www.MHP.net](http://www.MHP.net) require the borrower to complete a pre-homebuyer education course, or [www.MAHAhome.org](http://www.MAHAhome.org) ([Massachusetts Affordable Housing Alliance \(MAHA\)](http://www.MAHAhome.org))

We strongly suggest that all applicants complete a pre-purchasing homebuyer course prior to Entering the lottery. A schedule of upcoming first-time homebuyer workshops is posted on CHAPA's website at [www.massaccesshousingregistry.org](http://www.massaccesshousingregistry.org) under "Looking for Housing?"

**Q. Do we need to get a pre-approval from a lender?**

A: A pre-approval is required for the application process

**Q. How or where do I apply for a mortgage?**

A: We strongly recommend that applicants apply for financing with banks that are familiar with the deed restrictions (See Homebuyer Disclosure Statement) guidelines for affordable housing programs.

There are many lenders and mortgage brokers that are familiar with the qualifying process to purchase the affordable homes. We are willing to share these references upon request by email or phone request. In addition, there are other lenders and mortgage brokers who may participate in this process. Your lender must be a conventional lender.

There are many programs available for First Time Home Buyers including those offered by the MassHousing. We suggest you or your lender refer to the MassHousing website [www.MassHousing.com](http://www.MassHousing.com).

There are programs being offered by the MassHousing Partnership (MHP) such as the “**MHP One Mortgage Program**” which is offered to buyers typically at a rate of less than a lenders typical best rate to a conventional buyer. We suggest that you contact a lender who is on the list of lenders participating in the program as shown on the MHP website [www.MHP.net](http://www.MHP.net).

**Q. Are there any requirements on the type of loan I receive?**

A. The program requirements are:

- Down payment must be 3% of which 1.5% must come from the buyers own funds. The remaining balance or more can be a gift that does not need to be repaid. (A gift letter signed by donor will be required)
- Mortgage amount cannot exceed 97% of the purchase price. (There are some exceptions such FHLBB grant programs. See below for more information.)
- Mortgage loan must be 30-fixed rate.
- The loan has a current fair market interest rate of no more than 2 percentage points above the current Mass Housing rate. ([www.MassHousing.com](http://www.MassHousing.com))
- The Buyer may pay no more than 2 points.

Households should demonstrate availability of sufficient funds for a down payment, closing costs and pre-pays. Applicants should inquire with their lender as to what closing costs will be. Closing costs can include but may not be limited to fees for Loan Origination, Appraisal, Credit Reports, Inspection, Document Preparation, Attorney and Title Insurance. Pre-Paid can include interest that accrues from the date of settlement to the first monthly payment. Pre-Paid can also include insurances such as Hazard, Flood, and Mortgage Insurance.

The Federal Home Loan Bank of Boston’s (FHLBB) Equity Builder program has grants of up to \$20,000 for down payment and closing cost assistance. Funds are limited. Some banks offer both MHP’s One Mortgage Program and the FHLBB’s Equity builder Program grants.

Contact Delphic Associates for a list of participating banks.

**Non-Household members cannot be co-signers on the mortgage.**

**Q: What are the minimum income requirements?**

A: To qualify for a mortgage loan the total annual household income as determined by the lender must be adequate to support the requested mortgage amount.

Monthly housing costs (inclusive of principal, interest, property taxes, hazard insurance, private mortgage insurance and homeowner association fees shall not exceed 38% of monthly income for a household earning 80% of area median income, adjusted for household size.

**Q: Once I am approved by the lender, are there additional approvals required.**

A: Yes. Typically, your lender will re-qualify you for the loan a few days prior to closing, including but not limited to an additional credit check, job verification, marital status, etc. As a result your lender could deny your loan even though it may have been previously approved.

Therefore, before any household members decide to make any lifestyle changes, such as but not limited to; job changes, marital status, substantial additional debt for payments for large purchases, etc., consult with your lender as to what effect this could have on your loan.

**Q. Are there restrictions on upon resale or refinancing?**

A: Yes, the intention of the Affordable Housing Programs is to give persons the opportunity to purchase homes at reduced prices that otherwise may not qualify for a conventional purchase. There is a likely possibility that the home you are purchasing could be worth substantially more on the open market without the deed restriction. However, you would not be able to sell the home at market rate prices and pocket the difference.

All affordable homes will have a “Deed Restriction” that will be recorded with the mortgage at the time of purchase. This deed restriction in part, limits the amount the home can be resold for or refinanced for and requires that it be resold to another affordable buyer. The deed restriction insures that the home stays affordable for perpetuity. You may find a summary of the Deed Restriction herein.

Upon resale or refinance you must notify the community and the Monitoring Agent in accordance with the requirements in the Deed Rider.

The Monitoring Agent will determine the Maximum Resale or refinancing amount. The price you paid for the property will be divided by the Base Income Number (which is the Area Median Income for a 4-person household). This determines the Resale Price Multiplier which is inserted into your Deed Rider. The Resale Price Multiplier will be multiplied by the Base Income Number at the time of your resale of the Property to determine the Maximum Resale Price. In addition, the resale fee as indicated in the Deed Rider would be added to the Maximum Resale Price along with capital improvements of the home that had been approved by the Monitoring Agent.

**Q. What if I do not fully understand the conditions of the Deed Rider?**

A: Included in the Q&A section of the lottery package is a Home Buyers Disclosure/Deed Rider Summary explaining some of its key components. If you have further questions and our office is unable to answer those questions to your satisfaction, **we urge that you seek legal counsel.**

The Deed Rider is a critical legal document explaining your responsibility regarding re-sale, re-finance and household improvements.

**Q. What if my understanding of the English language is limited?**

A. Delphic and the developer are committed to broadening access for persons with limited English proficiency (LEP) as a general Fair Housing principal. Delphic Associates LLC and the developer have the capacity to address matters relating to limited English proficiency (LEP). This capacity includes language access planning and providing reasonable language assistance, at no cost to the applicant.

Persons who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English can be considered a LEP person. The developer, shall upon request, make reasonable accommodations, at no cost to the applicant to assist an LEP applicant of their understanding of important vital documents including but not limited to:

- Application materials
- Consent documents
- Notices concerning program eligibility
- Lease materials
- Other compulsory program materials

LOCAL INITIATIVE PROGRAM (LIP)  
HOMEBUYER DISCLOSURE STATEMENT

This Homebuyer Disclosure Statement summarizes your rights and obligations in purchasing this home. You are about to purchase a home located at 138 Elm Street, Unit 44, Kingston, MA, Massachusetts (the “Municipality”) at less than the home’s fair market value, under the Local Initiative Program (LIP). When you sell the home, that same opportunity will be given to the new buyer. In exchange for the opportunity to purchase the home at less than its fair market value, you must agree to certain use and transfer restrictions. These restrictions are described in detail in a LIP Deed Rider that will be attached to the deed to your home and recorded at the Registry of Deeds.

PLEASE REMEMBER:

- You must occupy this home as your primary residence;
- You must obtain consent from the Executive Office of Housing and Livable Communities (EOHLC) and the Municipality [and \_\_\_\_\_ (if another monitoring agent is listed)] (together they are referred to as the “Monitoring Agents” in this Homebuyer Disclosure Statement) before renting, refinancing or granting any other mortgage, or making any capital improvements to your LIP home;
- You must give written notice to the Monitoring Agents when you decide to sell your property.
- You may not transfer your LIP property into a trust.

The contact information for the Monitoring Agents is listed in the LIP Deed Rider.

Please read the LIP Deed Rider restriction in its entirety because it describes and imposes certain important legal requirements. It is strongly recommended that you consult an attorney to explain your legal obligations and responsibilities.

Primary Residence

You must occupy your LIP property as your primary residence.

Renting, Refinancing and Capital Improvements

You must obtain the prior written consent of the Monitoring Agents before you do any of the following:

- Rent your LIP home;
- Refinance an existing mortgage or add any other mortgage including a home equity loan; or
- Make any Capital Improvements (for example, a new roof or a new septic system – see attached Capital Improvements Policy) if you wish to get credit for those costs (at a discounted rate) when you sell your home.

Before taking any action, please contact EOHLC for instructions on renting, mortgaging, or making capital improvements to your home. If you do not obtain the required consent from the Monitoring Agents, you can be required to pay all of the rents or proceeds from the transaction to the Municipality.

Resale Requirements

When you sell your home, you are required to give written notice to the Monitoring Agents of your desire to sell so that they may proceed to locate an Eligible Purchaser for your LIP home. Your sale price will be computed by EOHLC based on the formula set forth in the LIP Deed Rider to reflect your original purchase price plus certain limited adjustments.

The allowed sale price is defined as the “Maximum Resale Price” in the LIP Deed Rider. It is calculated by adjusting the purchase price you paid for the home to reflect any change in the area median income from the time you purchased the LIP home to the time of the resale plus:

- (a) The Resale Fee as stated in the LIP Deed Rider;
- (b) Approved marketing fees, if any; and
- (c) Approved Capital Improvements, if any.

The Maximum Resale Price can never be more than the amount which is affordable to an Eligible Purchaser earning 70% of the area median income, as determined by a formula set forth in the LIP Deed Rider. The sales price will also never be less than the purchase price you paid, unless you agree to accept a lower price.

The Monitoring Agents have up to 90 days after you give notice of your intention to sell the home to close on a sale to an Eligible Purchaser, or to close on a sale to a Monitoring Agent, or to a buyer that one of them may designate. This time period can be extended, as provided in the LIP Deed Rider, to arrange for details of closing, to locate a subsequent purchaser if the first selected purchaser is unable to obtain financing or *for lack of cooperation* on your part.

It is your obligation to cooperate fully with the Monitoring Agents during this resale period.

If an Eligible Purchaser fails to purchase the home, and none of the Monitoring Agents (or their designee) purchases the home, you may sell the home to a purchaser who does not qualify as an Eligible Purchaser (in this event, this purchaser is referred to as an ineligible purchaser), subject to the following:

- (i) the sale must be for no more than the Maximum Resale Price;
- (ii) the closing must be at least 30 days after the closing deadline described above;
- (iii) the home must be sold subject to a LIP Deed Rider; and
- (iv) if there are more than one interested ineligible purchasers, preference will be given to any purchaser identified by EOHLC as an appropriately-sized household whose income is more than 80% but less than 120% of the area median income.

Any sale by you to an Eligible Purchaser, or to an ineligible purchaser (as described in the LIP Deed Rider), is subject to the normal and customary terms for the sale of property, which are set forth in the LIP Deed Rider and which will be included in your Purchase and Sale Agreement. .

There is no commitment or guarantee that an Eligible Purchaser will purchase the LIP home, or that you will receive the Maximum Resale Price (or any other price) for your sale of the LIP home.

A sale or transfer of the home will not be valid unless (1) the total value of all consideration and payments of every kind given or paid by the selected purchaser do not exceed the Maximum Resale Price, and (2) the LIP Compliance Certificate that confirms that the sale or transfer was made in compliance with the requirements of the LIP Deed Rider is executed by the Monitoring Agents and recorded at the Registry of Deeds by the closing attorney.

If you attempt to sell or transfer the home without complying with the LIP Deed Rider requirements, the Monitoring Agents may, among their other rights, void any contract for such sale or the sale itself.

### Foreclosure

In the event that the holder of a mortgage delivers notice that it intends to commence foreclosure proceedings, the LIP Deed Rider gives the Municipality an option to purchase the home (or to designate another party to purchase the home) for a period of 120 days after notice of the Lender’s intent to foreclose.

If this foreclosure purchase option is exercised, the purchase price will be the greater of (i) the amount of the outstanding balance of the loan secured by the mortgage, plus the outstanding balance of the loans secured by any mortgages senior in priority, up to the Maximum Resale Price as of the date the mortgage was granted, plus any future advances, accrued

interest and/or reasonable costs and expenses that the mortgage holder is entitled to recover, or (ii) the Maximum Resale Price at the time of the foreclosure purchase option, except that in this case the Maximum Resale Price may be less than the purchase price you paid. By signing the LIP Deed Rider, you are agreeing that you will cooperate in executing the deed to the Municipality (or its designee) and any other required closing documents.

If the foreclosure purchase option has not been exercised within 120 days of delivery of the foreclosure notice to the Monitoring Agents, the mortgage holder may conduct a foreclosure sale. The mortgage holder or an ineligible purchaser may purchase the home at the foreclosure sale, subject to the LIP Deed Rider.

If the sale price at the foreclosure sale is greater than the purchase price that would have applied for the Municipality's foreclosure purchase option as described above, the excess will be paid to the Municipality. By signing the LIP Deed Rider, you are agreeing to assign any rights and interest you may otherwise have in the balance of any foreclosure proceeds available after satisfaction of all obligations to the holder of the foreclosing mortgage, for delivery to the Municipality.

There is no commitment or guarantee that the Municipality will exercise the foreclosure purchase option, or that your Lender will receive the Maximum Resale Price (or any other price) in any foreclosure sale of the LIP home. In addition, the foreclosing lender retains the right to pursue a deficiency against you.

Violation of Restriction Requirements

If you violate any of the Restriction terms, you will be in default and the Monitoring Agents may exercise the remedies set forth in the LIP Deed Rider.

If one or more of the Monitoring Agents brings an enforcement action against you and prevails, you will be responsible for all fees and expenses (including legal fees) for the Monitoring Agent(s). The Monitoring Agent(s) can assert a lien against the home to secure your obligation to pay those fees and expenses.

LOCAL INITIATIVE PROGRAM  
CAPITAL IMPROVEMENT POLICIES AND PROCEDURES

Dear Local Initiative Program (LIP) Homeowner:

Capital improvements *must be approved by EOHLC and the local community* in order to be considered and added to the resale price. EOHLC defines capital improvements as a necessary maintenance improvement not covered by a condominium or homeowner associate fee that, if not done, would compromise the structural integrity of the property. Examples of necessary capital improvements include the following:

New roof	Septic tank replacement
Exterior painting due to deterioration	Heating or plumbing replacement
Structural deficiencies such as termite or other pest damage, water damage or other maintenance as required	The replacement of siding, shingles or clapboard due to damage or long-term wear
Replacement of windows due to damage or long-term wear and tear	Other improvements identified by the owner and reviewed by EOHLC
Appliance replacement (stove, dishwasher, refrigerator)	

Improvements such as the installation of outdoor decks, flooring (except in cases of replacement due to damage or long-term wear), additions, garages, landscaping and other items identified by the owner that are upgraded or luxury improvements will *not be* considered capital improvements and cannot be added to the resale price when the property is sold.

If a condominium or homeowners' association has a special assessment, EOHLC will take into consideration the cost to the homeowner on a case-by-case basis. Additional documentation may be requested.

At the time of resale, EOHLC will determine the current value of the improvement based on the depreciation schedule. For example, if a new heating system is installed for \$5,000 and the owner sells the property five years later, the full \$5,000 will not be added to the resale price. As with market rate properties, the value of the heating system is the greatest when it is new and it depreciates over time.

To begin the review process, please mail the following information to EOHLC and your local community:

A letter requesting approval for the cost of a capital improvement, including:

- ❖ a description of the work to be done
- ❖ an estimate of the cost
- ❖ an explanation of why the work is a capital improvement

If the request is approved, EOHLC will require a copy of the paid invoice after the completion of the work. EOHLC will consider the useful life of the improvement and prepare a depreciation schedule for the cost of the improvement.

Request for capital improvements or questions can be directed to:
